CLASSIC ARTIST OIL COLORS

STATEMENT OF NON-HAZARDOUS MATERIALS

To Whom It May Concern:

These are artist' colors made from vegetable oil. The US Department of Transportation defines "flammable liquids" as those with a flash point 140° (degrees) Fahrenheit or below. Artist grade oil colors are based on vegetable oil with a flash point at or above 450° (degrees) Fahrenheit. This is to certify that our products, Classic Artists Oil Colors, are **NOT** hazardous. These paints are made from vegetable oil and contain **NO** solvents. If you need to confirm this, please contact TSA at 866-289-9673.

Thank you,

Triangle Coatings, Inc.
